

Principal's Message

K. L. G. Public School, Sharda Nagar, Saharanpur is an institution where students are not empowered to learn in their own way and to make their destiny.

Our school has not only carved a niche but also consolidated its repertoire for offering a high level of challenge equally accompanied by high level of support. It has indeed been a very busy year after the Corona regime. School years always have a tendency of flying past, imparting the students valuable education full of ethics and norms as we always inculcate in our students Obedience, Team Spirit, Self-Confidence and Positive Attitude towards the family values, and Will Power to achieve the success in life.

I wish everyone to become successful in life with the values aligned. The growth of each student is our focus for which we are committed. Our motto to excellence is work together and learn together to achieve the best.

In addition, I would like to thank all the parents for their overwhelming support to school to make our students on the path of success.

Thanks

Activities Year 2022-2023
